

## HAKOMI INSTITUTE GUIDELINES: USE OF THE HAKOMI NAME

Principle: In order to protect the integrity of the work, the credibility of the Hakomi Training, and the value of Certification in the Hakomi Method, the name "Hakomi" is trademarked and thereby legally protected. These guidelines are in service of maintaining the integrity of the Hakomi Method. They guarantee that those who present themselves as Hakomi representatives are, in fact, genuinely proficient in the Hakomi Method. We also appreciate if Hakomi graduates and therapists encourage appropriate use of the Hakomi name by others in their geographical areas.
